

Learning is movement from moment to moment.

There is no end to education. It is not that you read a book, pass an examination, and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning.

- J. Krishnamurthy

Prabha Sathyanarayanan - Consultant

Prabha Sathyanarayanan develops and delivers programs for Clarion Learning clients in the areas of leadership and in developing emotional and social intelligence. Prabha facilitates organizational learning interventions and coaching programs that provide deep behavioural insights to help managers align themselves with organization's and individual's core values and reach their full potential.

Prabha is trained as a Co-Active™ coach and has completed the Accredited Coach Training Program (ACTP) recognized by International Coach Federation (ICF), from the world's foremost and leading coach training bodies, CTI, The Coaches Training Institute in San Francisco. In her learning interventions, she uses a holistic and transformative approach that emphasis on producing action and uncovering learning that can lead to more client fulfilment, more balance and a more effective process. She is accredited as MBTI practitioner who administers and interprets Step 1 and 2 through Asianic Psychologists Press. She has coached people individually as well as conducted group workshops on leadership branding, perception management, developing emotional intelligence, job productivity and personal effectiveness, values and vision, transitions, self leadership and personal intelligence, work/life balance, communication skills and language enrichment.

Prabha has a Masters degree in Computer Science. She brings 10 years of corporate experience to her table and her career has taken her to the United States and Australia. She has worked in the United States for more than 8 years as a product specialist and has consulted with leading organizations like Anderson, Level 3 Communications, Xilinx, View Sonic and she was a key contributor in implementing product suites at Clarify Headquarters and Clarify Asia Pacific. She was working with Remedy Corporation before she transitioned into coaching and facilitation.

Prabha's main area of personal passion, professional interest and experience is in designing and implementing learning interventions that help international organizations to develop their global competence, create a next generation of wise and intelligent global leaders, facilitate significant change and support the achievement of strategic goals.

Prabha is an Asian Indian. She and her family live in Chennai, India. Prabha speaks English, Hindi, Tamil and Kannada.
